#5. Survivor

Coffee Fairy

I was trying to
find a connection
our suspect might have
had with the victims

As you may know,
Ja Woon Min does
not have any family
or friends

I was feeling hemmed in,
so I tried to question the customers.

Min...

**FINALLY!
THE LIGHT OF THE WORLD
SHINES UPON GOBLIN
DOCTOR MIN!**

Goblin
Doctor Min?

Ah... It looks
like a really old
Korean painting

Right?

Hwanggi painting

It was
in my brother's
cabinet.

Appraisers had all
different opinions
on whether this is
real or a fake

So you had
it appraised by
Ja Woon Min...
sorry, Doctor Min?

You know
what?

You can fool a
ghost, but you
can't fool Goblin
Doctor Min.

Is that so?

Then that
piece is...

That's right.
It's a fake

DOCTOR MIN
SAID IT IS, SO
I WILL HAVE TO
TRUST HIM!

UWA!

I was not getting that.

The more we
find out about him,
the more interesting
he becomes

He puts down
levels between the
surrounding world and
himself. he classifies
targets...

He is also showing
signs of mysophobia,
distancing himself from
other people...

Well, it's possible
But I think his case is
bit different...

First of all, the
customers trust him
like religion.

Isn't it hard to trust
somebody like that
without any proof?

There was someone
who said that he could
use super powers.

It isn't
scientifically
proven

But there is a
phenomenon known
as "Psychometry"

"Psychometry"

It's when one can read
your mind and memories.

Sometimes, they
can find out about
an object's previous
owner, or see the user's
mind, or even access
memories.

I think the ability to
communicate with animals
is also a similar case.

And don't expect
to Cope?

Realistically speaking,
Ja Woon Min can't
possess a power
like that

He could be
experiencing a case of
autosuggestion, or
self-delusion

Hm...

Autosuggestion

Let me
see the victim's
possessions.

A suitcase, or the
clothing that she wore.
I don't care which.

And then I can
know more.

What kind
of information
can you get from
those?

THE FACE OF
THE MURDERER!

Psychometry...

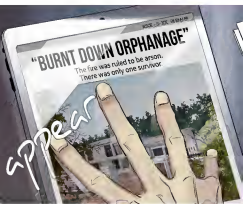

I tried to do a
background check.
There wasn't really
anything

Ja Ae Won was an
orphanage burnt down
15 years ago.

A fire started in the
middle of the night, and it
was ruled as an arson.

All thirty children
in the orphanage died.

But...

...Ja Woon Min was lying in the orphanage at that time, and was found without a single burn on his body.

He was the only survivor.

He was seen as the suspect despite his age.

Because of that incident...

He showed signs of serious mental illnesses such as auditory hallucination and delusional disorder.

He's been to many
sanatoriums and clinics.
One day, he went missing.

The shelters seemed
to think that he was
going to be discharged
immediately upon
becoming an adult.

So they didn't
bother to look
for him.

LET'S ARREST
HIM AND RIP HIM
APART!

There will always be
hopeless guys like him.

Always giving the
police a run-around.
They're mistaken if
they think that they're
something special.

Come to think of it,
he investigated us.
He's going to be an
even bigger problem
if we leave him be.

I'll let it go.

...?

What?

...I think that
you are up to
something.

I'm just doing
my job.

Hm-

Are you
investigating me?

Hm-
